JÖRG DEMUS

Born in Asutria, Jörg Demus received his first piano lessons at the age of six, and was allowed to enter the Vienna State Academy of Music when he was eleven. He later studied with Yves Nat in Paris and with Walter Giesecking at the Conservatory in Saarbruecken. At fourteen he made his debut with a recital in Vienna. Invitations to perform throughout Europe followed, and Demus' international career was launched. In 1956 he participated in the International Piano Competition at Bolzano, winning the Premio Busoni. Since his North American debut in 1955, he has made annual tours including performances with all of the major orchestras.
